Message from the Chairperson / Management:

“We believe there is no better way to pay back to society than by providing the most vital infrastructure to modern education. At **Shri Bhairavnath Shikshan Sanstha's Aditya Pre School and Aditya English Medium School**, we are dedicated to transforming curious minds into resourceful, well-rounded individuals, equipping them with the wisdom to gain a broader perspective on life.

Team Aditya holds a powerful vision for the future of our youth, deeply understanding our responsibility to help shape their lives. We aim to unearth every child's unique talent and provide opportunities that enable them to discover their passions, ensuring that joyful learning and academic rigor always go hand in hand. By blending academic excellence with comprehensive extracurricular activities, we foster a remarkable educational journey.

We are confident that in the years to come, we shall empower our students with not only the foundational knowledge of their chosen disciplines but also a deep insight into them. This prepares them to stand on their own, achieving excellence and success in their chosen careers.”

At our institution, we believe education is not just about textbooks and examinations; it is about shaping character, building confidence, and preparing students to face the challenges of the future with courage and wisdom.

Let us continue to work hand in hand to fulfil our shared dream of empowering the next generation.

Warm regards,
President of AEMS

Principal's Message

As we reflect on this academic year, I am filled with pride and gratitude for the remarkable achievements of our students, staff, and families. This year has been one of growth, resilience, and renewed commitment to excellence. Together, we have strengthened our academic foundation, expanded opportunities for student engagement, and continued to nurture a culture of respect, curiosity, and innovation.

Overview of the Academic Year

Throughout the year, our focus remained on delivering high-quality instruction while supporting the holistic development of every learner. We enhanced our curriculum to better meet the evolving needs of our students, integrated technology more effectively into classrooms, and emphasized social-emotional learning alongside academic rigor. Our teachers demonstrated exceptional dedication, adapting strategies to ensure that every student had the opportunity to succeed.

Beyond academics, our students actively participated in co-curricular and extracurricular programs that enriched their educational experience. From community service initiatives to cultural celebrations and competitive events, the vibrancy of our school spirit has been truly inspiring.

Key Milestones

This year, we celebrated several important milestones:

- Improved academic performance across grade levels
- Successful implementation of new learning programs and skill-based workshops
- Outstanding achievements in sports, arts, and academic competitions
- Strengthened partnerships with parents and the wider community

Each milestone reflects the collective effort of our entire school community. These accomplishments are not just markers of success but stepping stones toward even greater achievements in the years ahead.

Encouragement and Future Expectations

As we look to the future, I encourage every student to continue striving for excellence with confidence and determination. Embrace challenges as opportunities to learn and grow. To our parents and guardians, thank you for your unwavering support and trust. To our dedicated staff, your passion and commitment remain the cornerstone of our success.

The coming year holds exciting possibilities. Together, let us build on our progress, aim higher, and continue fostering an environment where every learner feels valued, empowered, and inspired to reach their fullest potential.

With optimism and gratitude,
Principal

Academic Achievements:

The school proudly celebrates the outstanding performance of its Grade 10 and Grade 12 students in the board examinations 2024-25. These excellent results reflect the students' hard work, the dedicated efforts of teachers, and the strong support of parents. Consistent achievement, high pass percentages, and remarkable individual scores stand as a testimony to the school's commitment to academic excellence and holistic education.

Parth Zalavaidya has emerged in the YONEX sunrise Gujarat state Badminton Championship-2025

U -17 girls team won ZP Tournament of state level Badminton.

Shreya Chaudhary won silver medal in the ZP district badminton tournament

Shravani Patil got zonal rank in ZP tournament.

Advay from AEMS earned silver medal in National Ice Skating competition.

U -17 girls of Aditya English Medium School got selected in National Level Badminton Tournament.

Celebration of National, Cultural & Events for Holistic Development

The school observed several significant national, cultural, and academic occasions throughout the year, including English Language Day, Environmental Day, International Dance Day, the Student Council Election, the Investiture Ceremony, Ashadhi Ekadashi, Guru Purnima, Kargil Day, Friendship Day, Kranti Diwas, Independence Day, Republic Day, Janmashtami, a Rakshabandhan, National Sports Day, Dandiya Night, Diwali, Christmas, Basant Panchami, Marathi Day, Shiv Jayanti, Science Day.

These events were thoughtfully organized to foster moral values, strengthen leadership qualities, and promote confidence, cultural awareness, and the holistic development of students in a positive and enriching environment.

Academic competitions, Competitive exams & co-curricular activities

The school has actively enrolled students in various scholarship and competitive examinations such as the Homi Bhabha Balvaidnyanik Competition, Aryabhata Mathematics Competition, Science Olympiad Foundation (SOF Olympiads), LogiQs, and the Elementary and Intermediate Grade Examinations. It also helps build confidence, resilience, and a positive competitive spirit. By exposing students to a broader academic platform beyond the school curriculum

The school organized a wide range of academic and co-curricular activities, including a Mathematics Marathon, Debate Competition, Essay Writing Competition, Hindi Kavi Sammelan, Shloka Recitation, Role Play, a Science

Competition on the theme of “Time Travel,” an Elocution Competition, and a PowerPoint Presentation (PPT) Making Competition.

These activities were thoughtfully designed to enhance students’ analytical thinking, creativity, communication skills, and stage confidence. They also encouraged teamwork, research skills, time management, and the effective use of technology. Such initiatives provided students with valuable opportunities to express their ideas, explore their talents, and develop a spirit of healthy competition, thereby contributing.

The school organized several educational field visits throughout the year, including visits to the Post Office, the Bank, R. K. Laxman Art Gallery, Indian Institute of Science Education and Research Pune, and Savitribai Phule Pune University. Such experiential learning opportunities enhanced students’ observational skills, critical thinking, curiosity, and career awareness.

The Annual Day was organized for all students on the inspiring theme of “**Incredible India.**” The programme beautifully showcased the rich cultural diversity of India, along with the nation’s remarkable progress in agriculture, healthcare, education, gender equality, and globalization.

The programme was a grand success and received immense appreciation and applause from parents and the entire school fraternity for its meaningful message, excellent coordination, and outstanding performances.

School has excellently conducted all internal & external examinations at AEMS centre.

Workshops / Seminars / Guest Lectures

Various workshops and seminars were conducted on topics such as personality development, exam preparedness, digital literacy, and mental health awareness. Guest lectures by professionals enriched students with practical knowledge beyond textbooks. Career guidance sessions were organized for senior students to help them identify their interests, strengths, and future career paths. Experts from various professional fields were invited to provide valuable insights.

Community Outreach / Social Responsibility

The school actively promoted social responsibility through cleanliness drives, donation campaigns, environmental awareness programs, and participation in community service initiatives, instilling compassion and civic sense among students.

Student Welfare & Support

Counseling Services

Professional counseling support is provided to address students' academic, emotional, and personal concerns.

Remedial Classes

Special remedial sessions are conducted to assist slow learners and ensure academic improvement.

Health & Hygiene

Regular health check-ups and hygiene awareness programs are conducted to promote student well-being.

Special Needs Support

The school ensures inclusive education by providing necessary support and guidance to students with special learning needs.

Teacher & Staff Development

Training & Workshops

Teachers regularly attend professional development programs, CBP training sessions, in-house training to enhance their pedagogical skills.

Appointments / Promotions

The institution welcomed new staff members and recognized deserving faculty through promotions and appreciation for their dedication.

Teacher Achievements

Teachers achieved recognition at various academic and professional platforms for their excellence and commitment.

Governance & Committees

School Management Committee

The School Management Committee ensured smooth administration and strategic planning for institutional growth.

Academic & Disciplinary Committees

These committees maintained academic standards and upheld discipline within the school.

Parent-Teacher Association

The PTA played a vital role in strengthening collaboration between parents and the school for the holistic development of students.

Infrastructure Highlights

Classrooms & Laboratories

The school is equipped with well-ventilated classrooms and fully functional laboratories, including Science Labs, Computer Labs, and Language Labs, to ensure experiential learning.

Library

The library is well-stocked with academic books, reference materials, periodicals, and digital resources to cultivate reading habits and research skills.

Sports Facilities

Adequate sports infrastructure is available to encourage physical fitness and teamwork through indoor and outdoor games.

Arts & Music Rooms

Dedicated spaces for art, craft, dance, and music provide students opportunities to explore and nurture their creative talents.

Safety & Security Measures

The campus is secured with CCTV surveillance, fire safety equipment, and trained staff to ensure a safe and secure learning environment.

Financial Overview

The school maintained transparency in financial management. Funds and grants received were effectively utilized for academic enrichment, infrastructure development, technological upgrades, and student welfare initiatives.

Plans for the Next Academic Year

New Programs / Initiatives

The school aims to introduce advanced skill-based programs, digital learning enhancements, and expanded co-curricular opportunities.

Improvement Areas

Focus will be given to strengthening academic results, enhancing infrastructure, and increasing student participation in national-level competitions.

Strategic Goals

The institution aspires to achieve excellence in academics, foster innovation, and continue nurturing responsible global citizens.

Acknowledgements

The school extends heartfelt gratitude to:

Students and Parents for their trust and cooperation.

Teachers and Staff for their unwavering dedication and hard work.

Management and Community Members for their continuous guidance and support.

Aditya English Medium School is “Striving for Excellence in Every Step.”
